

Hello Juniors and Junior Parents!

My name is Craig MacDonald and I am the representative on the board for our junior golfers. This year our Junior Golf Program will return to weekly clinics in late June and July and will include our “Junior League” which is Thursday’s in August from 12 noon – 1 p.m.

Juniors this year will be placed into groups based on age and we will also have a female only group. Group size is limited so it is a first come, first serve registration process and once the groups are full, we will not be able to take any more juniors so don’t hesitate to sign up.

On our August Junior League days, tee times will be blocked off for those junior golfers to go out on the course and play with other juniors. If your child is under 8, they are required to be accompanied by a parent or an approved volunteer for safety, etiquette, and pace of play. Also, at that time, there is a free bucket of range balls for all golfers available if your daughter/son just want to go and practice that is an option.

All this is included in the \$125 plus tax entry fee. Don’t forget, those juniors who purchase a golf membership do not have to pay for the Junior Clinics, the clinics are included with all golf memberships.

The Junior Golf Program is under the Direction of our Golf pro Dave Deluzio as well as other representatives including myself and the junior volunteer team. Speaking of competition, Dave will also be running our Antigonish Junior Golf Invitational, our Junior Club Championship, and A Drive, Chip, and Putt Competition. It’s going to be a great year!

If your child is between the ages of 5-7, Allan Briggs will be hosting the “Little Swingers” program on Monday’s beginning on July 29<sup>th</sup>. Stay tuned for more details regarding our 2019 “Little Swingers” program.

I look forward to seeing you on the links. Camp registration will be limited so please book early! Please request to join our junior golf Facebook group by searching for AGCC Junior Golf 2019.

I look forward to seeing you soon!

Craig MacDonald & Dave Deluzio
