AGCC Vice President's Report – 2020

The 2020 golf season was one that began very slowly due to Covid-19 and all the Health Authority restrictions. However as we moved into July the game of golf became an activity that many were able to play and enjoy, even with some minor restrictions due to Covid-19. The 2020 golf season was one that we at AGCC were able to declare a success financially after all our concerns in the months of May and June. This was made possible through great deal of work by our Staff and Board of Directors, as well as the support and cooperation of our members.

I want to congratulate Brian Affleck and Mike MacLellan and the staff for all their efforts during the 2020 season; Covid-19, dry hot weather and many, many rounds of golf were some of the issues they were faced with and they handled those in a very professional manner.

I will not be returning to serve on the AGCC Board of Directors for the 2021 golf season. I have enjoyed the past eight years as a Board member and thank Bill and all my fellow Board members for their commitment to our club over those years.

Thanks for the opportunity to serve on the AGCC Board of Directors and hope to see you all on the course, all the best.

Arnie Farrell

Vice President, AGCC
